PUBLIC MANAGEMENT INDEX

VOLUME XLVII, 1965

The nature of each entry in this index is identified by the following symbols: (A) original articles; (N) news articles in section on News of the Month; (C) short items in section on What Cities Are Doing; (D) articles abstracted in section titled Management Digest; (E) editorials; (R) Book Reviews; (O) news notes from overseas. Each entry shows, in the following order, the author, title, page reference, and nature of the item. Following the subject-matter index is an author index.

The page numbers of the 12 issues for the 1965 volume are as follows:

January	1–24	July	153–184
February	25–48	August	185–208
March	49–72	September	209–240
April	73–104	October	241–272
May	105–128	November	273–296
June	129–152	December	297–325

Administration

Amendment weakens city boards, 234C; Develops staff liaison with city's commissions, 180C; Foreign aid must develop local capabilities, 100D; Heikoff, Joseph M., Planning is the responsibility of the executive, 156–163A; Municipal administration awards, 67C; Starick, Herbert W., Strive for better planner-administrator relations, 138–143A; State administrators are surveyed, 269D.

Aesthetics

A—cleaning brings a prize, 206C; Aesthetic considerations bear on FPC decision, 174N; Borek, Bernice, Keeping beautiful is job for cities, 297–298E; Congress may protect nature, 175–176N; Court places economics above aesthetics, 122N; Court upholds billboard ban on aesthetic grounds, 16N; Landfills replace city dumps in Oregon cities, 174–175N.

Anti-poverty Program

Student volunteers to work in anti-poverty program, 146N.

Annexation

Ayres, Douglas W., and Whorton, Leonard L., The forgotten answer to metropolitan services?, 194–200A.

Apportionment

Committee on reapportionment to review court rulings, 41–42N.

Bonds

City, school district join forces for bond sale, 178–179C; Municipal bond sales hit new high for quarter, 174N; Poor rating raises bond cost, 226–227N; Revenue bonds gain in popularity, 236–237D; $22 million bond issue gets voter approval, 234–235C.

Central Business District

City provides baby-sitting service, 44–45C; Earthquake survey shows latent damage, 202–203N; Lighting program revives CBD, 265C; Parking meters don't solve parking problems, 180–181C.

Citizen Committees

Appoints "brain trust," 68C; Arts commission established, 318N; Citizen action builds better city, 230N; Committees useful, but may hide the incompetent, 44–45D.

City Councils

Form evaluates city councilmen, 262–263N; Most councilmen are nonprofessionals, 203N.

City Managers

City manager's role perceived differently, 227–228N; England gets first "city manager," 267–268O; Managers get ICMA awards, 293–294N; Managers told "good life" lies in city, 270–271A; Nolting, Orin F., Managers must be cognizant of change factors, 280–283A.

Council-Manager Government

Bromage, Arthur W., Managers become more oriented to human values, 256–260A; Eight C-M cities win awards, 176–177N; Issues bibliography on council-manager government, 93N; Lord, Roger, Manager plan in Canada differs little from U.S., 222–225A; "Metro achievements" reviewed, 205C.

Crime

Crime index increases for first half of 1965, 263N; Test TV units as crime curbs, 177N.

Education

Johnson, Eugene I., People greatest asset in building better cities, 106–111A; Regional development gets boost, 231C.

Electronic Data Processing

ADP system improves planning operation, 123N; Cities use ADP for land-use analysis, 317N; Hair, Albert M., Jr., EDP offers key to information in city hall, 80–85A; Horn, Harold E., Are you asking the right questions?, 273–275E; Installs computer to record traffic violations, 267C; Kimball, Charles N., Time for cities to use space techniques, 299–304A; Medin, Anthony C., Cities share information storage techniques, 74–81A; New data processing installation facilitates information retrieval, 93–94N; New ventures illustrate ADP potential, 171–173A; Powers, Stanley P., Computer still depends on people, 241–243E; Powers, Stanley P., EDP, approach with caution, but don't ignore it, 242–251A; Powers, Stanley P., EDP opens new vistas to management, 73–75E; Punch-card vote recorders reduce election costs, 64–65N; Seven ingredients to success in ADP installation, 150D.

Emergency Preparedness

Emergency preparedness plan available to cities, 65N.

Finance

Bankers attack municipal industrial financing, 16–17N; Berkley, George, Use of final cost reduces architectural fees, 130–135A; Colorado enacts local government audit law, 227N; Value analysis reduces costs of city services, 17N.

Fire

Berrodin, Eugene F., Should policemen and firemen get the same salary?, 2–9A; Buck, William D., Fire fighter and police salaries, 187–191A; Kimball, Warren Y., The municipal fire service problem, 185–186E; NFPA revises electric code, 174N; Space heater law saves lives, 181C; 24-hour shift ruling hampers consolidation, 177N.

Government-Community Relationships

Booth, Arch N., Total community development, 153–155E; Citizens can help police reduce crime, 179C; Noblitt, William T., and Earle, Robert A., Community and government must work together, 154–157A; "Too many cooks?" Not here!, 178C.

Government Consolidation

Canadian city consolidations, 98O; Changes recommended for metropolitan Toronto, 267C; Local government consolidations in Scandinavian countries, 98–99O; Voters approve consolidations, 67C.

Government-School Relations

City and school cooperate on exhibit center, 266C; City encourages municipal engineering careers, 120–121N; Final seminar held in series on city-school relations, 64N; Hameduddin, Sabeeha, Work-study attracts students, 204–205C; Joint study program successful, 264–265C; Students see city council in action, 234C.

Home Rule

Home rule pending in two states, 233C; State passes home rule law, 177N.

Housing

Cities gain from housing act, 235C; Government must grapple with housing problems, 142–146N; Planning and housing news, 99O.

Industrial Development

City seeks prestige firms, 44C; Developers find 168 prospects, 265C; The realities of competition for scientific centers, 101D.

Insurance

Safety program pays off, 180C.

Intergovernmental Relations

Arnold, David S., Urban problems becoming national, 105–107E; Building standards proposals attacked, 261N; The cities and the federal system, 319R; City hires federally financed interns, 179C; City, school district join forces for bond sale, 178–179C; Clark, Joseph F., Treasury threatens tax immunity, 25–27E; Congress gets intergovernmental cooperation act, 60–61N; England to have national building code, 268O; Havlick, J. Robert, Space age challenges city management, 284–287A; Humphrey urges local partnership with Washington, 164–170A; Joint statement issued on city-county cooperation, 92–93N; New jobs deal with outstanding agencies, 264C; Vice-president meets with managers, 149A.

Landmarks

Design creates new flagpole look, 65–66C.

Law

Colorado enacts local government audit law, 227N; Court places economics above aesthetics, 122N; Court rules for phone company in TV antenna dispute, 125N; Government labor laws adopted, 263N; High minimum standards OK for urban renewal, 230N; New evidence code to serve as model, 235C; Series completed on legal problems in metropolitan area, 43N; Supreme court puts lid on the Atlas case, 202N; Water, sewer laws issued, 316N.

Leadership

Arnold, David S., Are cities pluralistic?, 129–131E; Besuden, William E., Metropolitan leadership—the Hartford approach, 26–31A.

Legislation

County submits legislative requests to state legislators, 41N; Senate acts on intergovernmental law, 262N.

Libraries

Evaluation service for library equipment and supplies, 62–63N; New library dedicated, 20C.

Management

Anderson, Desmond L., Many influences contribute to image of urban manager, 112–121A; The benefits of tension, 45–46D; Integrity in

management means personal development, 150–151D; Kimball, Charles N., Time for cities to use space techniques, 299–304A; Lonergan, Wallace G., The management of change, 305–309A; Self-examination—A key to growth on the job, 100–101D; Sofen, Edward, Retreat at Warner Springs, 192–194A; Understanding human behavior—key to executive success, 151D.

Municipal Government

Keane, Mark E., Spotlight focuses on urban affairs, 276–281A; To reorganize local units in Great Britain, 69O.

Ordinances

Apartment licensing forbidden, 205–206C; City distributes "no peddler" warnings, 267C; Conflict-of-interests ordinance goes into effect, 206C; Court upholds billboard ban on aesthetic grounds, 16N; Lie detector banned for job applicants, 148C.

Personnel

Adopts work clothing policies, 317–318N; Depends on who's taking orders, 237–238D; Hayman, Donald, and Stahl, O. Glenn, Outdated political activity rules unfair to employees, 8–13A; Human dignity pays dividend, 232–233C; More persons working for government now, 202N; New policy restricts nepotism, 233C; Offers course in letter writing, 207C; Personality tests outlawed, 201–202N; Program pays employee to be safe, 20–21C; Promoting ineffectives leads to trouble, 236D; Revises disciplinary practices, 94C; Revises fringe benefits, 68C; Revises retirement programs, 66C; "Sunny Pete" alerts employees, 207C; Uniforms are more than just cloth, 230N.

Planning

Citizens provide planning tips, 95C; Developments reflect progress, 268O; Farmers' market will remain, 207C; Heikoff, Joseph M., Planning is the responsbility of the executive, 156–163A; Kaufman, Jerome L., Some planning trends in the 'sixties, 310–316A; Massell, Richard C., New revisions seen in master planning concept, 134–139A; Plan development of interchange areas, 202N; Planning and housing news, 99O; Regional development gets boost, 231C.

Police

Academy trains first city recruits, 228N; Arnold, David S., Urbanization causes police problems, 209–211E; Berrodin, Eugene F., Should policemen and firemen get the same salary?, 2–9A; Buck, William D., Fire fighter and police salaries, 187–191A; Cadet program launched, 95–96C; Council to set standards for police training, 263N; Foundation announces grants to improve police training, 18–19N; Mexican police officers attend training course, 232C; MSU expands police center, 227N; Police get incentive pay plan, 66–67C; Police scooter patrol proves successful, 232C; Policemen must train, 203N; State offers in-service training for local police officers, 61N; Sweden nationalizes police forces, 238O; Thompson, Wayne E., City's war on "people problems" unites agencies, 210–217A; Training course for policemen, 97C.

Professional Organizations

Applications invited for AIP honor awards, 181C; Association hires staff, 18N; Conference held overseas, 22O; Name focuses on useful America, 228N; Renewal will be IULA congress theme, 69O.

Public Health

New law protects mentally ill, 262N; $1 million boost planned for local health program, 174N; Parks are for people—please, 232C; Yolles, Stanley F., Mental health program evolves as shared endeavor, 86–91A.

Public Relations

City creates information office, 235C; City-scout citizenship project, 21C; Community survey indicates citizens content, 96–97C; Fudge, David, Radio, TV "spots" explain governments' problems, 38–40A; "Information coffees" improve public relations, 15–16N; Mayor invites special citizens, 206C; Nine cities win awards for town affiliation programs, 16N; Pupils tour municipal facilities, 21C; Speakers' bureau formed, 148C; Women sponsor city tour, 96C.

Public Reporting

Brochures on city services, 45C; Businessmen kept informed, 95C; Cities issue information guides, 317N; Emergency booklet lists tips on safety, 181C; Manual outlines budget improvements, 179C; Van Asselt, Walter, Citizen-oriented budget reports tell finance story, 34–39A.

Public Safety

Two cities receive special safety awards, 265C.

Public Works

Accident and damage board, 21C; Buckley, William W., City gets better lighting service from new contract, 12–14N; Economy cited in city operation, 95C; Increases mileage allowances for county employees, 61–62N; Million-dollar watershed project scheduled, 42N; Public works standardization expected to save money, 122N; Street from scratch better than patched, 233–234C; Water desalting project under way, 44C.

Publications

Arnold, David S., New tools help solve problems of management, 162–165A; Census bureau issues area reports, 123N; City benefits from county service, 231C; City issues development guide, 67–68C; City manager's role perceived differently, 227–228N; Government employment grows, 227N; IAAF discusses pay disparity, 318N; Issues bibliography on council-manager government, 93N; Issues new employee handbook, 181C; Issues supervisory bulletins, 294N; Municipal league studies fringe benefits, 203N; Population passes 193 million, 229N; Report studies abandonment referendums in 90 cities, 17N; School reader attempts accurate portrayal of city, 121–122N; Study reports on local government adaptability, 17–18N.

Purchasing

Cites possible savings through joint purchasing, 176N; Initiates certification program, 96C; Study reports on local government adaptability, 17–18N.

Recreation

Citizens see their own park dedicated, 234C; Community theaters serve wide range of activities, 175N; Park executives establish revenue management school, 14N; Recreation and park groups approve merger, 293N; Subdivision controls upheld, 94–95C.

Refuse Collection and Disposal

"Litter map" facilitates litter problem-solving, 207C; Paper bag refuse collection, 96C; Voluntary refuse bag system works, 20C.

Research

Last report due soon on 1962 census of governments, 42N; Report studies abandonment referendums in 90 cities, 17N; Research and scholarship grants in public administration, 69–70O; Research on urban affairs in Berlin, 22O; Study covers urban problems, 22O; Urban research expanded in West Germany, 98O.

Salaries

Metropolitan salary survey aims at competitive pay scales, 62N; Municipal payrolls continue twenty-year upward trend, 124N; New plan eliminates automatic salary increases, 90–92N; New volume issued on pay administration, 203N; Police get incentive pay plan, 66–67C; Warner, Kenneth O., What do federal pay policies mean for cities?, 56–61A.

Special Districts

Commission urges controls for special districts, 40–41N; County eliminates 50 special districts and service areas, 148C; Smith, Robert G., Let's look again at special districts, 1–3E.

Special Government-Private Programs

Commission coordinates community attack on social problems, 63N; Ford foundation grant sets ACTION into action, 124–125N; Foundation announces grants to improve police training, 18–19N; Grant made to study legislative apportionment, 146–147N.

Taxation

Citizens in five Michigan cities reject uniform income tax act, 123–124N; City benefits from county service, 231C; Fourteenth state approves local sales tax act, 122N; Opinion survey steers sales tax issue to victory, 18–19C; Sales tax could hit 8 per cent, 234C; States adopt, hike sales taxes, 261–262N; Taxpayers get $1.3 million from tax refund action, 230N; Tax revenues on the rise, 228N; Treasury threatens tax immunity, 25–27E.

Training

Academy trains first city recruits, 228N; Brochure outlines city's intern training program, 235C; Brown, David S., An old tool holds new promise for management, 286–291A; Cadet program launched, 95–96C; City officials study humanities, 233–234C; Cooperative in-service training starts third year, 14–15N; Council to set standards for police training, 263N; DeChaine, James P., AMTP offers new perspectives, 172–174N; Hosts foreign officials, 67C; Mexican police officers attend training course, 232C; Orientation classes popular, 19C; Policemen must train, 203N; State offers in-service training for local police officers, 61N; Training course for policemen, 97C.

Transportation

Commuters depend on autos, 201N; Consider whole highway system for safety, 175N; Experiment enters third phase, 228–229N; Federal act spurs improvement in urban mass transportation, 63–64N; 1st segment of BARTD nearing completion, 177N; First transportation grants go to five cities, 93N; Successful experience reported for minibus, 292–293N. To improve area transit service, 294N; Transit system to install automatic fare collection, 14N; Two projects seek improvement in local bus patronage, 92N; Voters approve rapid transit, 66C.

Urban Policy

Osman, John, Cities can help by transforming urban energy, 50–57A.

Urban Renewal

City clears slum-ridden area, 178C; Davis, Melvin K., Small town wins fight against deteriorating area, 30–35A; High minimum standards OK for urban renewal, 230N; Manners, Nancy, City declares unsightly property must go, 146–147C; Thelen, Alan, Responsible leadership earns city miracle title, 216–223A.

Utilities

City specifies conditions for providing utility services, 125N; City utilities go underground, 231–232C; Competing with utility proves dear, 226N; Utility subject to zoning controls, 226N.

Youth Programs

Four governments join in services to youth program, 62N; Garmire, Bernard L., Program can reduce juvenile crime, 292N; Neighborhood youth corps projects now under way, 181C; Taylor, Joanne, and Ulrich, Gustav M., City makes start in meeting needs of teenagers, 250–255A; Teenagers demand stiffer tests, 179–180C; Youths benefit from local government programs, 42–44C; Youth in government program held, 229N; Youth work programs need planning, 68C.

Zoning

Dramatic evidence presented in zoning fight, 125N; O'Harrow, Dennis, Zoning: What's the good of it?, 49–51E; Utility subject to zoning controls, 226N.
